This list is neither a complete nor an exclusive list. The possibility exists there may be new or existing bats that do not appear on this list that will not be permitted for use in the Fountain Valley Adult Softball program.

Please have questionable bats checked and approved by the umpire BEFORE using the bat in league play.

Any and all bats that are not of a SINGLE piece construction are not permitted in the Fountain Valley Adult Softball program.

Please be aware that ANY bat that is labeled with shells, multiple walls, compartments, sleeves, trampolined, matrixed, transfer molding, layers and/or chambers are not permitted in the Fountain Valley Adult Softball program.

Any other bat NOT listed on the ASA Approved bat list is NOT permitted to be used in the Fountain Valley Adult Softball program
