

# SCIENCE CAMPS

## NASA! Jr. Astronauts

Join our Academy of Future Space Explorers as you prepare to explore the galaxy. Build your own model rocket, race a balloon rocket, and then see the real thing- a rocket launch up to 300 ft. in the air! Make and take home your own comet, Shuttle Copter, glow-in-the-dark Bead Dipper and much more. See comets up close as one is formed before your eyes. Use teamwork to complete an important space mission and build a model space station. Travel to the end of the rainbow and make a sunset. This NASA camp is “Out of this World”! Material fee of \$25, payable to the instructor on the first day of class, includes a Mad Science T-shirt. **Instructor:** Mad Science.

CODE	AGE	DAYS	DATES	TIME	FEES	LOC
327013-A1	5 – 12	M-F	07/27-07/31	9:00A-12:00P	\$129	RC

## Spy-entists and Sports

Mad Science invites you to discover what football players, scientists, and ballet dancers have in common. Make a new friend, CG Owl, and find out what he has to say about gravity and sports. Be a Super Spy and use Morse code to send secret messages to your friends. Launch a water bottle rocket and test soil for “Martian” life. Let your nose be your guide on a trail of scents and use jaws and claws to feed your beastly stomach. All of this and more are included in this exciting week. Material fee of \$25, payable to the instructor on the first day of class, includes a Mad Science T-shirt.

**Instructor:** Mad Science

CODE	AGE	DAYS	DATES	TIME	FEES	LOC
327014-A1	5 – 12	M-F	08/10-08/14	9:00A-12:00P	\$129	RC

## Rockin’ Rockets & Aerodynamics

Experience a hands-on, designing and building many different types of flying devices. See how things move through the air and how rockets fly! Awesome aerodynamics that is fun filled with loops, twists, and sometimes crashes. Make out of this world Milky Way Ice Cream from scratch. Experiment with different kinds of propulsion systems as you use your new knowledge to blast off, track and recover different kinds of flying makings. Have a “Rockin” good time! Material fee of \$25 includes a Mad Science T-shirt.
