**Fountain Valley
Community Foundation**

**A Catalyst For
Community
Enrichment**

**Incorporated
January 28, 2008**

Giving Back

The Fountain Valley City Council authorized the establishment of the Fountain Valley Community Foundation on November 6, 2007.

The Foundation offers individuals and organizations the opportunity to make a tax deductible contribution for the betterment of the Community

How Can I Help?

Funding

Contribute or help raise tax deductible donations

Ideas

Share your creative ideas and expertise

Time

Serve on one of the committees or volunteer for an event or project

Goals

As a Foundation we will serve the needs of the community, enhancing community life and activities in the following areas

Community Bonding "Fun"

Develop activities fostering the participation of a broad base of the population, focusing on events and activities that will bring the community together

Social Services

Assist FV residents with special needs that are not being met by other organizations, or with the Foundation's support enable other programs to meet those needs. This could include housing, transportation, education, neighborhood clean up, or other types of support

Health and Fitness

Aid in the well being of the community in the areas of wellness including physical fitness, sports programs, and education

The Arts and Culture

Support enrichment activities and projects that will add to the cultural make-up of Fountain Valley

Scholarships

Grant qualifying individuals with partial or full payment to offset registration fees associated with City of Fountain Valley recreational and/or cultural programs

Capital Projects

Fund capital projects that meet the needs and goals of the community and encourage donor giving to support these projects
