MOVIES IN THE PARK AND NATIONAL NIGHT OUT

The Fountain Valley Recreation and Community Services Division is joining with the Fountain Valley Police Department to present this year's National Night Out and our first Movie in the Park of the season held at the Fountain Valley Recreation Center, 16400 Brookhurst Street. Come join us on **Tuesday, August 2**, for an evening filled with games, food, fun, and of course, our feature presentation **Cloudy with a Chance of Meatballs!**

Don't miss the picnic-style games before the film begins. In addition, the Fountain Valley Police Department Explorers will host the National Night Out, which includes face painting, K9 Demonstrations, children fingerprinting, SWAT, Traffic Motors, Fountain Valley Fire Department displays, along with Volunteer Clowns of OC, TARGET giveaways, balloons, and display booths from Crime Prevention and Neighborhood Watch. Also, we will be offering FREE hot dogs, chips & drinks (while supplies last).

If that wasn't enough, we will also have the Bacon Mania food truck on site! Activities will start at **5:00pm** and end at dusk when the movie begins. The event is **FREE**, so come out and enjoy a fun summer evening with all of your friends and family. Be sure to arrive early for a good seat!

A special thank-you to our movie sponsors for the 2011 Movies in the Park Series: Steve and Micah Stovall of Star Real Estate, Pierce Family Chiropractic Wellness Center, Fountain Valley Regional Hospital, and Anytime Fitness.

For more information on this or other recreation events, please contact the Recreation and Community Services Division at 714-839-8611 or visit www.fountainvalley.org.
