Senior Expo 2011

Senior Expo 2011 was held at The Center at Founders Village Senior and Community Center on June 23, 2011. We had over 60 vendors and 600 senior attendees. Our Big Kahuna sponsors included Bristol Park Medical Group, Heritage Memorial Services, Orange Coast Memorial Medical Center, and Fountain Valley Regional Hospital with Monarch HealthCare. We had three Orchid Sponsors including Anytime Fitness, Edinger Medical Group and Huntington Terrace Senior Living. The Senior Expo is our main fundraiser which brought in over \$13,000 to assist with programs and services for seniors in our community.

The day was filled with health screenings, give-a-way items, hula dancers, disc jockey Michael Antonwitsch, a hot dog lunch and the very first appearance of Freddy Valley, the Recreation and Community Services Division's new mascot. Freddy Valley is a very handsome frog; look for him at the upcoming Concerts in the Park and at other Recreation events!

For more information about this event and other recreation programs and services, please contact the Fountain Valley Recreation & Community Services Division at 714-593-4446 or visit www.fountainvalley.org.
