Looking for Vendors - Fountain Valley Summerfest

The Fountain Valley Summerfest Committee is looking for businesses, craftsmen, and exhibitors to secure a vendor space at the upcoming Fountain Valley Summerfest event scheduled for June 9-12, 2010. Last years event brought in 23,000 people over the three days and included activities such as carnival rides, games, food, beer garden, classic car and truck show, and entertainment that is directed at attracting local residents of all ages. This year we are opening a day early with a Buck A Ride preview night. Vendors are encouraged to open their booth on Thursday. The Summerfest committee is offering 10x10 vendor booth spaces for \$400 which includes basic 110 electrical and a canopy located on a corner. Double the cost to receive a 10x20 space. This will be a great opportunity for your business or organization to introduce itself to the thousands of residents that will be at the event throughout the weekend. If interested, applications can be found at www.fvsummerfest.com or by calling 714-839-8611. Fountain Valley Non-Profits may also find food booth application online and use the event as a fundraiser for their organization.

Summerfest Hours:

5:00pm-9:00pm – Thursday, June 9

5:00pm-11:00pm - Friday, June 10

11:00pm-11:00am - Saturday, June 11

12:00pm-9:00pm - Sunday, June 12
