Fountain Valley Summerfest

On June 12-14, 2009 the Fountain Valley Community Foundation will be hosting the first annual **Fountain Valley Summerfest** event. This is a proud moment for the City as it introduces the newly renovated Fountain Valley Sports Park to the entire City as well as launching our newest addition to the community event calendar. As an added bonus, Summerfest will be collaborating with the Fountain Valley Classic Car & Truck Show, as both events include **FREE ADMISSION** for everyone. The entire weekend will be directed at attracting local businesses and residents of all ages to our event, where together we will be able to celebrate the start of another Fountain Valley Summer. In conjunction with this event, there will be a wide variety of vendor booths, food booths, carnival rides, and entertainment available throughout the duration of the event. We encourage everyone to visit Summerfest as it will be an occasion that every member of the family will enjoy. Please do not miss out on your chance at history and visit the inaugural Fountain Valley Summerfest event.

7:00am- 3:00pm Saturday, June 13 / Fountain Valley Classic Car & Truck Show

This annual event will begin bright and early Saturday morning as a wide variety of classic cars, trucks, and other restored automobiles make their way onto two of our large soccer fields. This much anticipated event will appeal to the whole family in observing the majesty of this unique craftsmanship. This is truly an event that will captivate anyone who is still “young at heart.” There will be food vendors present as this event as it continues straight into Summerfest.
