Fountain Valley Summerfest – What A Weekend

Fountain Valley Summerfest returned to the Fountain Valley Sports Park this past weekend and was visited by more than 27,500 people. This event celebrated the City's 54th Anniversary and kicked off Summer with activities including live music, carnival rides, games, various vendor & food booths, and the Fountain Valley Community Foundation's annual popular Classic Car and Truck Show which raised approximately \$10,000 for the Foundation's programs. On Sunday, The Originalites won the Battle of the Bands contest and for the second year in a row, Team Panda (Fountain Valley boys representing Mater Dei High School Football) walloped the competition after successfully eating 54 Tacos. Team members: Anthony Garcia, Yousheng Cho, Manny Nieves and Kyle Tine. Each received a \$10 gift card from Taco Bell.

Local Non Profit Groups such as the Kiwanis Club, Women's Club and FVHS Water Polo Team raised over \$30,000 in food sales which will benefit their programs. A GREAT BIG THANK YOU to the Summerfest Sponsors and the countless volunteers who both planned and implemented this great community event.

For more information about this event and other recreation programs and services, please contact the Fountain Valley Recreation & Community Services Division at 714-839-8611 or visit www.fountainvalley.org.
