What is Parkinson's Disease?

Dr. Karan Frei, MD, a board certified neurologist who specializes in the diagnosis and treatment of Parkinson's Disease and other movement disorders, will hold a seminar on Parkinson's disease. The lecture will be held Monday, June 6 from 11:30am to 1pm. The seminar will cover the causes, diagnosis' process and advances in treatment for those with Parkinson's disease. A light lunch will be provided. The seminar is sponsored by Orange Coast Memorial Medical Center.

The seminar will be held at The Center at Founders Village Senior and Community Center, 17967 Bushard Street, Fountain Valley. Reservations are required by calling 1-800-MEMORIAL (1-800-636-6742) or visit www.memorialcare.org.

For additional information on this program and other recreation activities, please call the Fountain Valley Recreation and Community Services Division at 714-593-4446 or visit our website at www.fountainvalley.org.
