

SUMMERFEST 2020

FVSummerfest.com JUNE 18-21

Hello Invited Vendors!

The Fountain Valley Summerfest Committee has been meeting the last few months gearing up for the largest Summerfest event yet. The event is scheduled for June 18-21, 2020 and we will be hosting this year's event on the largest field to date, adding thousands of square feet to the event layout. **More Rides, More Vendors, More FUN!!!** Last year we had over 25,000 people come through the event site and we are adding activities this year. This is an optional night for vendors but well worth coming out for since it doesn't cost any additional money.

Visit www.fvsummerfest.com to keep informed on what activities and programs are planned for 2020. We will continue to update this page as the event gets closer. Vendor applications are also available on this site. We typically have 60 vendor spaces and we have sold out the last few years. Vendor spaces are on a first come first serve basis.

All booth spaces are on a corner and you will have two sides of the booth to interact with the crowds. We provide the canopy, a table and two chairs, and access to basic electrical.

Let us know if you have any questions and hope to see you at Summerfest 2019!

Respectfully,

Jim Applegate
