

**A MESSAGE FROM YOUR
ORANGE COUNTY WATER PROVIDERS:
REST ASSURED,
YOUR TAP WATER
IS SAFE AND
RELIABLE.**

The Coronavirus (COVID-19) does not present a threat to our water supplies. Orange County water providers continually monitor and test the quality of your water, and are committed to ensuring its safety. We will continue to take necessary steps that ensure your water service will not be interrupted.

Providing a safe, reliable supply of water for you and your family is our

If you have questions or
