

FOUNTAIN VALLEY
SUMMERFEST

Re: Summerfest 2020

On behalf of the Summerfest Committee, we regret to inform you that the 2020 Summerfest event scheduled for June 18-22, 2020 has been cancelled. Due to the unprecedented circumstances related to the Covid-19 pandemic, we recognize the need to support the direction of the Governor of California along with the Orange County Health Director in slowing the spread of the virus through social distancing and limiting community gatherings.

While we are greatly disappointed in cancelling the annual kick off of summer in Fountain Valley, the volunteer committee and city staff understand that the health, safety and well-being of our community are of paramount concern during this unprecedented time. In addition, the committee felt it was the responsible action to notify our dedicated community volunteers, business partners, vendors and entertainers of the cancellation in a timely manner.

While the traditionally scheduled Summerfest event will not take place in June 2020, the committee will look for other opportunities in the future to provide community engagement when and where they become available.

We hope that you will all join with us in adhering to the recommended guidelines provided by the governing health officials.

Stay Well and Be Safe,

Rob Frizzelle
Community Services Director
City of Fountain Valley
