| Patrick Harper | Councilman/Business Owner | Candidate Statement |
| Alicia "Rudy" Huebner | Software Developer | Candidate Statement |

NANCY DUGAY

Histotechnician

I am a proud resident of the great city of Fountain Valley. Being an immigrant from Thailand, I have fallen in love with the United States and the American people, and I am in awe of its freedoms and opportunities.

As a faith-based mother of four, my main concern is the safety and security of our community.

I am pro-police and pro-business. I will take a rational common sense approach to every issue the city encounters. It would be an honor and privilege to be on your City Council

Nancy Dugay

GLENN BLEIWEIS

Retired Businessman

Owning a small business for 22 years has provided me with the skills to connect with my community, learn to build things from the ground-up, and work as a team to ensure growth and prosperity. Most recently, I have been the President of our HOA for the past two years, and I have been able to lead/facilitate meetings, manage a multi-million-dollar budget, and develop relationships with homeowners to ensure they feel heard and are treated fairly. I am a results-oriented business owner/consultant with a commitment to integrity and a no-nonsense, decisive leadership style. I am an effective collaborator and communicator who will focus on solutions that meet the needs of our community. My strengths and experiences include strategic planning and forward-thinking mindset with a background in contract negotiation and organizational consultation. My goals for FV include: solutions/interventions for the growing homeless population, nurturing small businesses, evaluating the impact of Accessory Dwelling Units and high-density housing/Airbnbs, problem-solving neighborhood parking issues, maintaining fiscal responsibility of all spending, and, most of all, protecting the overall community and standard of living to make FV a "nicer" place to live.

CINDY CAO

AGE: 56

College Administrative Staff

A devoted wife, mother, and working professional, I've been a Fountain Valley resident for 25 years. I believe in finding ways to identify new revenue sources to maintain public safety and community programs and services. We need to improve the integrity of our city with more resources allocated to employment, housing, and a cleaner environment. Fountain Valley must be able to accommodate the growth of its residents with not only better healthcare, but also opportunities for community recreation. My vision is for the city of Fountain Valley to be one of the top 10 best places to live in America.

Cindy Cao

KIM CONSTANTINE

AGE: 56

Businesswoman/Council Member

Fellow residents, for years I have been consistently working hard for you for transparency, on our City's big issues, and attending/participating in Strategic Planning, General Plan Update, Planning Commission, and Measure HH Advisory Oversight Committee Meetings.

Every decision is in the absolute best interest of our residents, businesses and visitors -- no ties to unions or special interest groups.

I will continue to say "no" to high density housing development projects that do not make sense and new taxes/fees -- you pay too much.

As a proud longtime resident and member of several community organizations, I happily volunteer myself daily for hours on social media, in person, by phone; and at some community events.

What do I need from you? Please stay solid about me if you hear unkind words in our "City of Kindness". I am always accessible to ask and converse with at 714-335-2280 and my website: www.kimc4fv.com.

Your vote ensures you will continue to have my time and energy working hard for you, fully committed to ensuring Fountain Valley remains a nice, very desirable place to live and visit and is prosperous for our businesses.

It is my pleasure to represent you as a City Council Member.

JIM CUNNEEN

Governing Board Member, Fountain Valley School District

I've proudly made Fountain Valley my home for nearly 30 years. My wife and our 5 children were all born and raised here. I want to make Fountain Valley an even better place to live, so my children can eventually raise their own children here. That's why I've dedicated myself to giving back to our community:

- Fountain Valley School District President
- Fountain Valley Planning Commissioner
- Fountain Valley Rotary Club
- Fountain Valley Community Foundation Board Member
- Fountain Valley Housing and Community Development Board
- Fountain Valley General Plan Advisory Committee

I've worked in private business for 35 years. With my experience in both the public and private sectors, I know how to run government more like a business.

As your Fountain Valley School District Board Member, I've delivered results:

- Modernized all Fountain Valley School District schools
- Improved education in Fountain Valley schools
- Passed balanced budgets

If you elect me as your Fountain Valley Councilmember, I'll fight to:

- Provide our firefighters and police the resources they need to keep Fountain Valley safe
- Improve Fountain Valley parks and streets
- Ensure complete accountability of our taxpayer dollars
- Attract and maintain good-paying jobs with healthy businesses

My record and experience have earned the endorsements of the entire Fountain Valley School District Board, Congresswoman Michelle Steel, Assemblywoman Janet Nguyen, and Supervisor Andrew Do.

I respectfully ask for your vote for Fountain Valley City Council.

STEVE A. NAGEL

Retired Fire Marshal

It was an honor to represent Fountain Valley as Mayor three times, during 3 terms on the City Council. Serving 30 years with the FV Fire Dept. in leadership capacities, knowledge of city infrastructure operations, and volunteer experience with local non-profits gives me a unique understanding of our diverse community, neighborhoods, and local businesses that keep Fountain Valley "A Nice Place to Live."

Many residents asked me to run again to bring order and common sense back to our city council. I will bring my experience to work with the current council members, while being accessible and committed to listening to our residents and businesses.

My top priorities are public safety and conservative fiscal responsibility. Maintain a highly trained police and fire departments, public works, recreation and other essential services. Planning for our city requires an insight and vision with measured growth and consideration to our neighbors throughout our city.

I would be honored to represent you again to assure continuity and long-term stability.

I appreciate the consideration of your Vote on Nov. 8th

Nagel for FV City Council 2022 ID# 1450974

DWIGHT E. SHACKELFORD, JR.

AGE: 56

Business Trainer

I have lived in Orange County for 43 years, having moved from Louisville, Kentucky in 1979; I have lived in Fountain Valley since 2018. This is a wonderful community to call home and my family loves it here.

I believe in supporting our local businesses that have been impacted by the pandemic and the economic challenges of inflation. I want to work together with city leadership to find balance in helping to solve the city's housing challenges while preserving the quality of our neighborhoods.

Also, while I am sensitive to the plight of the homeless population in our city, I am equally concerned about maintaining safety in our community.

I view serving on the Fountain Valley City Council as an opportunity of a lifetime. I believe in hard work, perseverance, humility, and generosity. These values have fueled my success over the years, and I will use them faithfully to guide me on the path of dedicated service.

If given the chance, I will do my best to live up to these ideals. It would be an honor and a privilege to serve my community and I welcome the opportunity.

DARREL MYMON-BROWN

AGE: 60

Retired Teacher

I am Darrel Mymon-Brown and am running for City Council, because I am concerned about the future of Fountain Valley. Like many residents, I am against billboards and high-rise/ high-density buildings, especially when they are located near existing homes. My views are conservative politically and economically. I have lived in Fountain Valley for more than half of my life. My family moved here in 1969 when I was eight years old, so I have seen our city grow and change throughout the decades. Upon graduating from Fountain Valley High School, I obtained a Bachelor's degree in Liberal Studies and taught in elementary schools throughout Orange County. After my career in education, I became heavily involved in community volunteer work and continue to stay involved to this day. I grew up here. I raised my children here. I want to keep Fountain Valley a nice place to live. I will listen to the city's residents and proudly represent their views.

/s/ Darrel Mymon-Brown

MICHAEL MAU

Retired Federal Officer

Aloha neighbors, I am asking for your vote to serve on the Fountain Valley City Council. My wife and I were married at Holy Spirit Church over 20 years ago. Our daughter and son were born in Fountain Valley Regional Hospital. As a multiracial family we appreciate the welcomeness, diversity and feeling of community. I am dedicated to preserving Fountain Valley as a "Nice Place to Live" for all residents, homeowners, renters, families, seniors, and young professionals, from every background.

Priorities

Responsibly manage development to ensure growth is in the best interests of our community. Fiscal Accountability and revenue growth. Ensure Public Safety & Health by providing necessary resources to law enforcement, first responders, and medical professionals. Support local businesses and attract new businesses. Promote quality Education to provide all our students the opportunity to a first-class education.

My Qualifications - Strategic Planning, Program Management, Budget Management and Community Relations

Relevant Experience

Executive Staff Officer, Central Intelligence Agency (retired)
Consultant and Senior Advisor to three nonprofit organizations
Vice President, HOA Board
Board Member, San Diego State University Veterans Alumni Organization
U.S. Air Force Veteran

Vote Michael Mau for Leadership and Integrity.
Please visit my website at www.michaelmaufvcc.com
Thank you for your support.

PATRICK HARPER

Councilman/Business Owner

I have been honored to serve Fountain Valley as your city council member since 2018, and mayor during 2022. My two guiding principles have been and will continue to be

Protect our quality of life

Keep Fountain Valley a nice place to live

The last four years have required strong city leadership especially with Covid, and I am proud that we have kept the city moving in a positive direction. Some accomplishments include:

Kept city facilities open during Covid and provided support for employee safety to work remotely and access testing and vaccines

Implemented body cameras for all police to improve safety and transparency

Made one of the biggest investments in Fountain Valley history to tackle homelessness (hired City Net outreach services in March 2022)

City continues to pay down pension liabilities and on target to be debt free by 2037 when 1% sales tax HH expires

Looking forward, it is extremely valuable to have experienced leaders on the council, which is why I am running for another four years. I will represent our residents with integrity, courage and honor, and I ask for your vote. Thank you for your support!

ALICIA "RUDY" HUEBNER

Software Developer

I am passionate about serving on the city council and believe that a healthy community is one where residents and schools are safe, businesses have the tools to succeed, and families and young professionals can thrive.

For more than 25 years I have called Fountain Valley my home. I have fond memories of growing up in a safe, family-oriented community and graduating with honors from Fountain Valley High School.

As a software developer, I've had the opportunity to own a business and work in healthcare, where I learned firsthand the importance of access to care and my role in positively impacting the lives of others through technology. I aim to support our local businesses to grow and modernize, while positioning our city to be as attractive as possible to new business.

If elected, I'll ensure our police, fire and public works departments are well funded and equipped to serve our residents and businesses, and the city is able to fulfill its financial obligations. This can be achieved by pursuing opportunities that bring revenue to the city without cost to residents.

I am excited for the future, and respectfully ask for your vote so I can serve the community I love.
